Support the Sponsorship Programs

We greatly need your support so that we can continue all our services and bring forth long-term benefits.

Sponsorship Program in Children's Homes

Supports children's expenses on daily living, education and other needs.

Education Sponsorship Program

Helps financially challenged students to pay for their tuition fees, books and school supplies expenses, so that they can finish their primary and secondary education.

Community Service Scholarship Program

Provides students with scholarships for their tuition and other fees, and encourages the students to participate in community volunteer work.

Light and Love Home Scholarship Program

Supports students with high academic achievement, good character and great potential to complete their post-secondary education and pursue their goals.

Living Enhancement Program

Provides interest-free small loans for poor families to start various projects so that they can generate income and get rid of poverty. Money that is returned will be loaned to other families for the same purpose. So more can benefit.

Light & Love Home

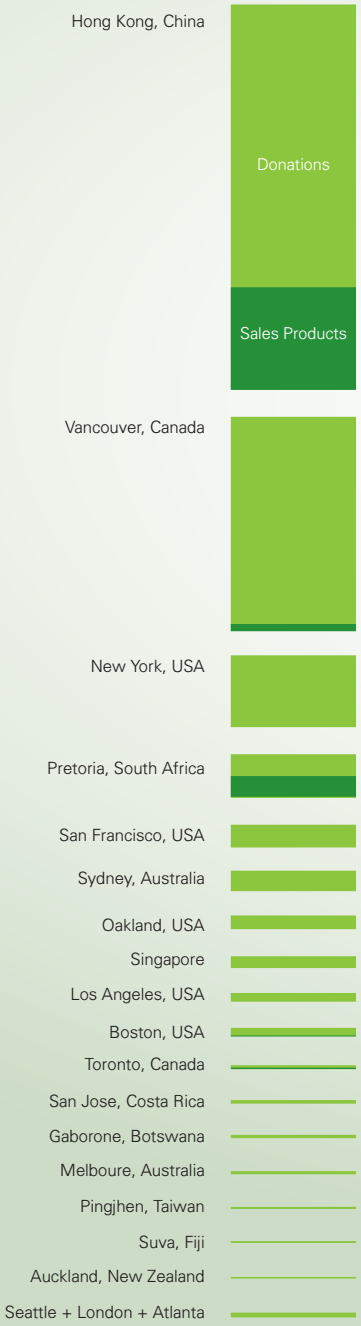
Worldwide Charity Services

2013 Annual Report

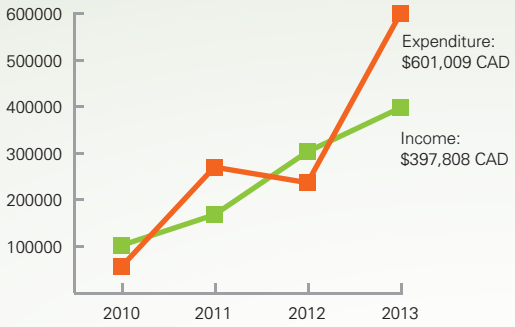
Light and Love Home, Vancouver works with our affiliated organizations around the world, gathers human resources, visits developing countries, helps the poor, cares for orphans and dedicates ourselves to education and establishing long-term and effective services.

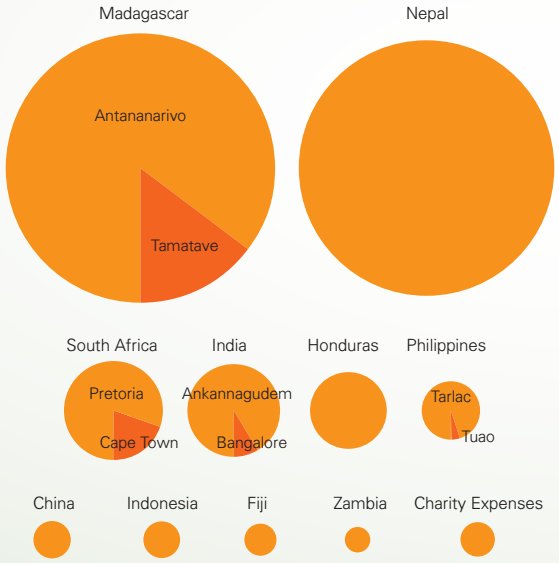
Donations & Fundraising Income

We would like to thank all our affiliates and donors around the world for their support.



Expenses for All Regions & Services





New Projects in 2013

First Step in Rajasthan

We have applied to be registered as a non-profit organization in Rajasthan, India. We hope to develop effective and long-term services there. Currently, we are sponsoring a family-run children's home.

Joining the Big Family

The Faith, Hope and Love Children's Home in Honduras has officially joined our Light and Love Home family. We are striving together for the same goals.

New School Building

We have purchased a new school building in Madagascar, aiming to enhance our education services. We also plan to expand our secondary school section.

Living Enhancement Program

We have strengthened the implementation of Living Enhancement Program in the Philippines, Zambia and South Africa, hoping to support many more families to become self-sufficient and step out of poverty.
